There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.
Address: F. J. CHENEY & CO., Toledo, Ohio.
Sold by Druggists. Take Hall's Family Pills for constipation.

The men whom I have seen succeed best in life have always been cheerful and hopeful men, who went about their business with a smile on their faces and took their changes and chances in this mortal life like men, facing rough and smooth alike as they came.—Charles Kingsley.

SACRED MISTLETOE.

The druids with ceremonies of great solemnity used to collect mistletoe with a golden sickle "against the festival of winter solstice." Only the oaks bearing mistletoe were sacred to this ancient order of men.

It is recorded that the people's reverence for the priests proceeded in great measure from the cures which the priests effected by means of this curious green plant of the pear-like berries. It was collected thus ceremoniously by the druids because it was supposed to drive away evil spirits.

The reason among the druids for bringing in bits of evergreen from the woods and adorning the house is a most charming and lovable one: "The houses were decked with evergreen in December that the Sylvan spirits might repair to them and remain untroubled with frost and cold winds until a milder season had renewed the foliage of their darling abodes."—Craftsmen.

Forerunner of Christmas.
The spirit of merry-making that marks our Christmas holidays had its origin with the Roman feast called the Saturnalia. This was a festival in honor of Saturn, father of the gods. It lasted for a week or two, beginning about the 19th of December, and was the occasion for great revelry among all classes. No business was transacted during this period, war was suspended, private feuds were forgotten or forgiven, and general good fellowship reigned supreme. Friends exchanged presents with one another, and the slaves were waited upon by their masters and mistresses.
